slávime,

tradície všetkých

zdieľame.

HYMN LET'S CLAP SONG

A l'escola, a l'escola
tots volem, tots volem
fer amics a Europa,
fer amics a Europa
Let's CLAP then, let's
CLAP then.

At the school, at the
school
all we want, all we want
make friends from
Europe, make friends
from Europe
Let's CLAP then, let's
CLAP then.

Samen vieren
Leren van elkaar
Samen tradities vieren

Traditional dress

There are many different kinds of traditional dresses according to the region.

I'm 12.
I live in Košice.
I play badminton.
I have sister Eli.

Hello my name is Eva.

- I am 9 years old.
- I live in Lurgan with my mum, dad, brother and puppy
- I enjoy singing, drama and netball.
- In school I enjoy playing with my friends and reading
- I am also in the school's Eco Council and we are currently working towards achieving the School's Eco Flag

El projecte s'anomena «Let's CLAP» (Colaborar, Llegir, Aprendre i Play) i aborda temes com la inclusió social i el valor patrimonial cultural.

Després de l'èxit de la 10a edició de l'acte, l'equip de treball ha preparat el projecte del Programa Educatiu. Aquest programa comptarà amb dos eixos de treball: el projecte, la formació, la promoció i l'impacte del projecte de 2014-2015. El Programa pretén impulsar i qualificar els recursos d'adults i la mateixa preparació dels docents amb un acompanyament que serà un procés de recerca. A través del DEPE es va presentar el projecte i va dissenyar una sèrie de materials. El projecte s'anomena Let's CLAP (Colaborar, Llegir, Aprendre i Play). La proposta abasta dos projectes: la formació dels docents i el valor social i educatiu del patrimoni cultural rompedor. Cada un dels elements de l'obra és el complement de l'altre: de la comunicació cultural i mediàtica. El projecte...

Estada del grup de la Mica a Holanda, Holanda.

Instal·lar el treball a Holanda. Cada un dels projectes està vinculat amb el patrimoni cultural i la Mica, a més d'una sèrie de tres activitats.

La darrera setmana del mes de febrer es va fer la primera estada a Holanda, on es va presentar el projecte i va dissenyar una sèrie de materials.
